Annual Membership Dues 2021-2022

Your membership in SSVMSA increases the Alliance's ability to speak with a stronger voice to the health concerns of our community. Membership in the Alliance allows you to be directly involved in our projects, activities, and events; however, even if you do not have time to actively participate in our projects, or can only participate occasionally, your dues are very important as they support our grants, projects, and scholarships. You can visit us online at www.ssvmsa.org.
